Subject: ISDA

Carol, pursuant to my second phone message from this afternoon, I am providing you with the number of an alternative contact in our Contracts Department:

Angela Weber, Contracts Department

phone: (816) 527-1293

email: aweber@utilicorp.com

To recap, the concern is that Board Resolutions are not in the ISDA as "Documents to be Delivered". I would propose that both parties provide them anyway, regardless of whether they are listed in the ISDA, in order to avoid having to redraft and re-sign the agreement please discuss this with Angela in my absence. Please have yourself or Susan give Angela a call to discuss. Again, my apologies for the "11th hour" nature of these concerns.
