Happy new year!

For those of you have not heard yet, I am leaving Deloitte & Touche on January 10. My articling time is officially in that day and I am heading back to Red Deer to buy my dad's water business. I'm very excited about the opportunity.

You can reach me at my Deloitte email address until the 10th. I have set up a hotmail account that I will use once I leave. I start work in Red Deer on January 14. Below is my new contact info:

Hope to talk to you all soon,

Mike.
