

I can not mention how jealous I am about this trip - but here are some GREAT recommendations -

- 1) Indian Springs in Calistoga, which is just on the north side of the wineries. It has a spa and a huge mineral pool. Also, the rooms are little bungalows.
- 2) A more expensive option - which I haven't tried but comes HIGHLY recommended - Auberge du Soleil. It has great rooms, a great spa, and great food and wine selection. In fact, you can go to their web page @ www.aubergedusoleil.com.

You can't go wrong with either one. Also, a restaurant that has been recommended to me is the Culinary Institute. It is supposed to be awesome!!

The guys on the gas desk are going to Cayman tomorrow - I am very jealous of that too. Can you tell I need a break??

Let me know what you think of my suggestions -
