

Christy, can we send these documents in word format - I'm not sure if this is a problem for everyone but I can never open these attachments from Braeswell. Can you please send a hard copy.

Regards

Delainey

Subject: HQ files to continue market based rates

Dave -- Kevin has asked that we do a full-blown protest of HQ's continuation of market based rates due to market manipulating behavior that Tom May has seen. Due 11/30. Let us know if we should not proceed with the OASIS review, etc. and drafting of protest. Thanks.
