Subject: Delta III Documents - Amendments to Delta Notes and Forms of Consent Thereto

??????? Please find attached, for your review, Amendments to each of the currently outstanding Delta Notes, together with forms of Consent to such Amendments. These Amendments are needed in order to ensure that the Delta III transaction does not violate the negative covenants of the outstanding Delta Notes. Note that I have also attached a blacklined document with respect to each Amendment (the current version blacklined against a composite document) in order to highlight the alterations made to the definitions in each of the Delta Notes.

??????? Please note that these documents remain subject to further internal review.? The Remainder of the Delta III documents will follow.

??????? Please direct questions or comments regarding the attached documents to Mike Dunn at (212) 530-5435.? Best Regards.
