

okay - here's what i know -- we are trying to hire some of the best people out there at whatever they may do -- one position that we are looking at is kinda what you are already doing -- our nymex trader is bob shiring -- take that however you wish -- but that's who you would be working directly with so that's who you would need to talk to. i know this position is in the budget for this year but i'm not sure what the time frame is. bob's email is bob.shiring@rweamericas.com -- you can tell him that you got his name from me and then i'm sure he'll approach me about it -- that is, of course, if you are interested and to the extent that you do not have any contractual issues in talking to us.
