Subject: Here is the Energy briefing agenda for the Republican Caucus and FAQ
Importance: High

Greetings:

For those of you attending the Republican Caucus briefing tomorrow it is in room 126 and runs from 9-noon (from what we understand it will be close quarters so arrive early if you have been invited to speak). This meeting is open to those who have been invited only.

Attached please find the agenda. IEP will be handing out the Seeing the Light document, Power Up, and the editorial from the Bee today. We will be following up with the FAQ's with a letter to each attendee on Friday.

I have also attached the Final FAQ and Glossary of Terms. Please let us know by 2:00 tomorrow if you have any changes or additions to these documents.

Thanks!
