Dear Vince,

As per our conversation I am attaching my resume and the job description below. Please feel free to critique and give me some feedback on my resume, I will appreciate it immensely. Once again I want to thank you for all the help and assistance you have given me over the last two years. I am convinced that I couldn't have asked for or gotten a better boss than you. It has truly been a pleasure and an honor to work for you. Thank you for the opportunity!

Sincerely,

Shalesh Ganjoo
