He was replaced by Lamont Warren in the first quarter, and Stewart did not return. Cameron Cleeland , TE NO - Team T-Bone Updated 12/23/01 Cleeland injured his Achilles tendon on Sunday. He is not expected to play again this season. Ahman Green , RB GB - Beer Gut Boys Updated 12/23/01 Green left Sunday's game in the fourth quarter with labored breathing. He was replaced by Dorsey Levens. Todd Bouman , QB MIN - High Shrivel Factor Updated 12/23/01 Bouman was able to start Sunday's game, but he re-injured his thumb in the first quarter and was replaced by Spergon Wynn. Wesley Walls , TE CAR - Blue Star Boys Updated 12/23/01 Walls was able to play in Sunday's game despite an ankle injury, but he left the game before halftime after spraining his left knee. Martin Gramatica , K TB - High Shrivel Factor Updated 12/23/01 Gramatica injured his hamstring in the fourth quarter on Sunday. He hurt himself on a PAT attempt, but Gramatica is expected to play on December 29. Todd Bouman , QB MIN - High Shrivel Factor Updated 12/23/01 Bouman is now listed as probable for Sunday's game. He should be able to start against the Jaguars, but he may play with some pain in his thumb. Jeff Graham , WR SD - Water Boys Updated 12/23/01 Graham probably won't play Sunday at Kansas City because of the death of his father in a car accident, coach Mike Riley said Friday. If Graham doesn't play, Trevor Gaylor will start in his place and Nate Turner will be signed off the practice squad. The Chargers are already missing their No. 3 receiver, Tim Dwight, due to complications of a collapsed lung. Antowain Smith , RB NE - CYSWC Updated 12/23/01 Smith rushed for a career-high 156 yards and a touchdown Saturday. He has been one of the best runners in the AFC and will help carry your team to Fantasy glory. Steve McNair , QB TEN - Money Shots Updated 12/23/01 McNair played Saturday despite suffering from back spasms all week. He played well, throwing a touchdown pass in the second half. Expect him to be a solid No. 1 QB. Jeff Garcia , QB SF - CYSWC Updated 12/23/01 Garcia, whose practice time was limited all week, played in Saturday's game. He admitted afterwards that he has a cracked rib. He played with extra padding, saying it didn't greatly affect his throws. Garcia might not be at full strength in the remaining weeks but he will still be a solid No. 1 Fantasy QB. Eddie George , RB TEN - South Park Cows Updated 12/23/01 George played in Saturday's game despite suffering from an ankle injury. He left in the third quarter because of a neck injury but returned to the game. Oronde Gadsden , WR MIA - Dallas Demon Horde Updated 12/23/01 Gadsden did not play in Saturday's game against the Patriots because of a hamstring injury. Chris Chambers started in his absence. Fred Beasley , RB SF - Free Agent Updated 12/23/01 Beasley broke his right hand. He will probably be sidelined for the rest of the regular season. Joe Horn , WR NO - Addison Red Cornholes Updated 12/21/01 Horn is once again performing like an elite Fantasy receiver. He is a must-start player during the final weeks of the NFL season. Maurice Smith , RB ATL - CYSWC Updated 12/21/01 A banged-up Smith hasn't done much statistically in recent weeks. Don't depend on him during the Fantasy playoffs. Donald Hayes , WR CAR - Water Boys Updated 12/21/01 Hayes may step back into the forefront this week as the No. 1 wideout in place of Muhsin Muhammad. He isn't very explosive, however, and won't help Fantasy teams much during Weeks 15 through 17. Chris Weinke , QB CAR - Free Agent Updated 12/21/01 Consider Weinke as a backup during the Fantasy playoffs. He lacks the weapons to post better-than-average numbers, but he is a good option if you need an emergency QB. Kurt Warner , QB STL - Team T-Bone Updated 12/21/01 Warner should guide many Fantasy teams to success during the playoffs. Expect fine numbers from him the rest of the way. Rich Gannon , QB OAK -

Dallas Demon Horde Updated 12/21/01 Gannon has been a top-flight Fantasy QB this year. He will be a key player on many title teams, and should never be benched. Randy Moss , WR MIN - The Replacements Updated 12/21/01 Moss started off slow this season but has once again been one of the best wideouts. Don't hesitate to start him during your playoff run. Marvin Minnis , WR KC - Team T-Bone Updated 12/21/01 Minnis hasn't done much to help Fantasy owners this year. Don't use him during the remaining weeks of the NFL season. Michael Westbrook , WR WAS - Beer Gut Boys Updated 12/21/01 Westbrook has been inconsistent this season as a Fantasy player. He will be a good No. 2 at best during your playoffs. Rod Gardner , WR WAS - Water Boys Updated 12/21/01 Gardner has been very inconsistent this season. Unless you play in a deeper league, starting Gardner isn't advisable. Tony Richardson , RB KC - South Park Cows Updated 12/21/01 Richardson hasn't been a consistent scoring threat this year. Don't use him during the Fantasy playoffs. Tony Gonzalez , TE KC - Aryan Brother Inc. Updated 12/21/01 Gonzalez hasn't played as well as expected this year. Still, he is too talented to bench during the Fantasy playoffs. Brett Favre , QB GB - Water Boys Updated 12/21/01 Favre has been one of the best QBs this season. Count on him to help lead your team to Fantasy glory. Trent Green , QB KC - Barking Spiders Updated 12/21/01 Green has been an inconsistent Fantasy QB this year. He is a risky start during the rest of the season. Bill Schroeder , WR GB - The Replacements Updated 12/21/01 Schroeder has had a solid season. Look for him to be a reliable No. 2 wideout during your postseason. Matt Hasselbeck , QB SEA - Free Agent Updated 12/21/01 Hasselbeck has been a big disappointment this year. Don't use him during the Fantasy postseason.
