

Thankyou to all who attended the Japan Working Group meeting. I attach draft minutes of the meeting which contain a number of action items arising out of the meeting.

As agreed, the next meeting is tentatively scheduled for 17 March (Tokyo) 16 March (Houston). I will send around further details shortly. I appreciate the quick response I have received from a number of you on the action items and look forward to hearing from the rest prior to the next meeting.

kind regards
