Elizabeth, I am sending you the attached consent at the request of Janice Moore, who thought it would be best for me to contact you directly. I have incorporated your comments--as relayed to me by Janice--into the earlier draft.

Please review this consent and, if you approve, let me know by e-mail or telephone (412...667.7900), whereupon I will prepare an original and send it to you.

Thank you very much.

Steve Williams
