Kevin this summit is right after the hourly Las Vegas trip and I would like to attend. There is no costs associated with this summit, ESCA is covering the accommodations and I will all ready be in Las Vegas.

Did you want to attend?

I was told by ESCA that some of our regulatory folks attended last year.

Dear SUMMIT2001 Guest:

ALSTOM ESCA, the Energy Management and Markets Business unit of ALSTOM, would like to invite you and a guest to attend the second annual energy summit, SUMMIT2001: The Forum for Power Industry Issues, October 7-9, 2001, at the Bellagio in Las Vegas.

SUMMIT2000 brought energy and government leaders together to discuss a range of issues-from technical, to business, to regulatory and legislative. This year, SUMMIT2001 will again spark discussion and initiate dialogue about a range of topics, including:

- * ISOs and RTOs from an organizational, business, and technical viewpoint
- * Retail System Implementations and their financial impact on an organization
- * Emerging technologies and trends

On behalf of Alain Steven, President and CEO, and the ALSTOM ESCA team, we look forward to your participation in this year's event. Please click on the link below for more information as well as to register.

Should you have any questions, please feel free to call me at 425-503-4197, or just click "reply" to this message. We look forward to seeing you in Las Vegas.

Sincerely,

Kerry Ann Donk
Manager, Public & Media Relations
ALSTOM ESCA
