

Gerald, we need to raise a letter to the Kern Shippers which outlines the payment calculation and payment terms (i.e. cheque or wire transfer).

Can you raise a draft for me to review. I am having a summary of each of the terms that is being made and will get this up to you.

Payments via wire transfer will be done on May 25, Payments by cheque will be raised next week. Any other payments will be set up as commercial arrangements and that probably will include, Crestone (one time payment only), and Cannon (payment to be deferred until next year).

Can I get a draft of this letter and then we can discuss.

BT
