

At the request of Mark Greenberg, I am forwarding to you the proposed Non-Disclosure Agreement between Pricewaterhouse (for CreditDimensions) and Enron Credit Limited. Mark Greenberg has spoken to the counterparty and made a few changes to Pricewaterhouse's form. If you have any questions about the transaction, the business person on the deal is Kim Detiveaux here in Houston. Otherwise, we would appreciate your assistance in getting Richard Sage in London to execute this agreement.
