We should send the executed ED&F Man NDA to Robert Schlossberg. He's out of town till Monday, but please try to get a hold of his assistant at the number below to get a mailing address. Then, send it for Monday delivery after we've executed.

Leslie

Rob:

I understand from speaking with Andy Zipper that he has invited you to submit a preferred form of NDA in light of your objections to the "overly broad" nature of our NDA. Andy asked me to follow up with you to touch base and find out when we should expect to see an NDA.

Thanks,

Leslie Hansen
