

I've changed both of these. Thanks a lot for the info - you know, I went through all of this before, even to the point of looking up the contract with Christian Yoder - but the traders need it beaten into their heads! I'll remind them, and we'll see what happens.....

These two deals are in as the wrong counterparty. I am asking Rhonda to inactivate this name so he won't keep using it. I think it is a real long, involved name starting with "the" rather than city of Oakland. Go figure how someone alphabetizes! Can you check into this.

Thanks!
