GRS' FERCwatch e-mail notification is a free courtesy service of Gadsden Research Services, energy research and document retrieval specialists. Periodically (generally once or twice weekly), GRS will broadcast FERCwatch with descriptions of major FERC issuances or filings such as rulemakings, policy statements, mergers, new rate filings, major rate changes, and certificate filings.

GRS can provide hardcopies of any of the above listed items at nominal charges; for document requests or estimates of charges, please reply to grs4ferc@starpower.net <<mailto:grs4ferc@starpower.net>> or call 202.210.4771.

For an e-mailed copy of a brochure of GRS services and rates for FERC and other federal agency research please e-mail your request to grs4ferc@starpower.net <<mailto:grs4ferc@starpower.net>>. For a mailed copy, please include your name, firm name and street address. For a faxed copy, please include your fax number.

The FERCwatch subscription list is used for the sole purpose of providing information on FERC and energy industry activity and will not be sold or otherwise distributed to any other business or organization. For additions or removal from the FERCwatch notification list, please reply to grs4ferc@starpower.net <<mailto:grs4ferc@starpower.net>>.

Send suggestions on how the GRS' FERCwatch can better serve the energy community to grs4ferc@starpower.net <<mailto:grs4ferc@starpower.net>>.
